Message to Archery Fraternity

It is heartening to note that Harvinder Singh created history by winning a 'Bronze Medal' in Recurve Open category at the Tokyo-Paralympics and became the first Indian Archer to win a medal in the Paralympics. Harvinder, you are the real star of this special day. Heartiest Congratulations to Harvinder, all Archers, Coaches, Support Staff Members, State Archery Associations/Units, Archery Academies/Centers, Technical Officials and the entire Archery lovers in the country. The effort put in by each and every member of Archery was outstanding for which we place our sincere thanks to all of your support and cooperation to achieve this historic achievement. We are very proud of you all.

We are thankful to NTPC from the core of our heart for their support throughout the year to Archers and the Association to realize various developmental projects in the country without which such successes wouldn't have been possible.

We are sure the momentum shall be carried forward with the same vigor, spirit, energy and shall pioneer an era of upsurge in Indian Archery in scaling the veritable summit of glory.
